A Magical First Day of School

"A journey of a thousand miles begins with a single step and today, that step begins at school." — Lao Tzu

Our little explorers embarked on their very first day of Pre-primary at DPS, GBN on April 2 and 3, 2025. It was a day full of laughter, creativity, and special moments, and we are thrilled to share the highlights with you! The kids displayed their creativity while making the welcome craft where they made scenery of birds using play dough. Our little munchkins were excited to do the hand painting, a beautiful card was created in the shape of a school, with a mesmerizing "Welcome" poem inside to mark this special beginning. It was a wonderful way for the children to express themselves while celebrating the beginning of Pre-primary. An array of engaging and entertaining activities, each tailored to the unique interests and energy of every child, were planned. The children participated in a variety of games, from the exhilarating swings and lively dance sessions to the competitive "Hit the Pin" challenge. Each activity was thoughtfully curated to foster fun, cooperation, and creative expression, ensuring an unforgettable experience for all. With each passing day, we eagerly anticipate the growth and countless adventures that await our bright learners. As our little stars take their first step into this exciting journey, we look forward to many more days filled with joy, learning, and laughter. Here's to a wonderful start and a bright, beautiful year ahead.

Baisakhi Celebration

"Let's dance, laugh, and play, Baisakhi brings a happy day! With dhol and colors bright, we celebrate with pure delight!" - Anonymus

Our little stars of Nursery celebrated Baisakhi at DPS, GBN on April 11, 2025, with great joy and excitement! Dressed in vibrant traditional Punjabi attire, the tiny tots looked adorable. The classroom was filled with colours, laughter, and festive vibes as we came together to mark this joyful harvest festival. The children enjoyed dancing to lively Baisakhi songs, tapping their feet and waving their hands with big smiles. It was heartwarming to see them celebrating the spirit of togetherness and culture. Teachers shared a short story about the significance of Baisakhi in a fun and simple way, helping our little learners understand the value of our traditions. The celebration ended with lots of cheer, group photos, and happy faces all around. It was a beautiful day full of culture, music, and joy!

Green Steps, Little Feet

"In every walk with nature, one receives far more than he seeks."

— John Muir

Earth, our planet—our precious home—is full of beauty, from the blue skies and green trees to the chirping birds and colourful flowers. To help our cute little learners understand, appreciate, and connect with the wonders of nature, the Pre-Primary Wing of DPS, GBN celebrated Earth Day on April 21 and 22, 2025, with a variety of fun, creative, and educational activities. The day began with a gentle conversation led by teachers, helping children understand the importance of Earth Day. The little ones learned how small actions—like switching off lights, saving water, and keeping our surroundings clean—can help protect our planet. Children participated in a joyful sapling plantation activity and made each one unique and special. Our young learners joyfully walked through the corridors, holding vibrant, handcrafted placards with messages like 'Save Earth' and 'Keep the Earth Clean'. The celebration concluded on a cheerful note with an Earth Day song, melodiously sung with joy and heartfelt affection for our beautiful planet. The children's sincere involvement served as a meaningful reminder of our shared responsibility to protect and preserve the Earth for future generations.
