Joy of Giving

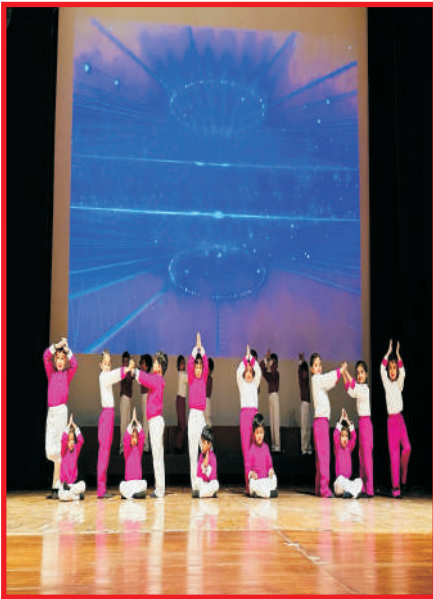

"When we give cheerfully and accept gratefully, everyone is blessed." – Maya Angelou

Soaking in the spirit of sharing, DPS, GBN organized an event named 'Joy of Giving' for the little munchkins of Grade Nursery and Prep on December 14 & 15, 2023. The day commenced with excitement as the little ones extended a warm welcome to the visiting NGO kids with wide smiles and open hearts. Through this celebration, kids not only experienced the joy of giving but also learned valuable lessons about empathy and the beauty of embracing diversity in our community. Tiny hands carefully chose and wrapped thoughtful presents, radiating enthusiasm and innocence. The exchange of these modest yet heartfelt gifts not only brought smiles to the faces of the children but also taught them the profound joy that lies in giving and sharing, fostering a sense of kindness that will surely stay with them for years to come. This endearing event left a lasting impression, nurturing the seeds of kindness in the hearts of these budding philanthropists.

Christmas Celebration

Jingle bells, Jingle bells, Jingle all the way, may you be blessed this Christmas with peace and love all day! When it comes to celebrate festivals, DPS, GBN children are always eager to celebrate with happiness and zeal. Our little Santa's of Grade Nursery celebrated Christmas with their peers on December 21, 2023. The school corridors were beautifully decorated with Christmas decoration and the air was filled festivity through Christmas Carols and tapped their feet on their favourite dance numbers. They also became Secret Santa for our ancillary staff where they offered gifts as a token of love. Beautiful Christmas crafts were made to add a pinch of creativity in the celebration. Children went home happily keeping in mind the message 'Sharing is Caring' in their young minds.

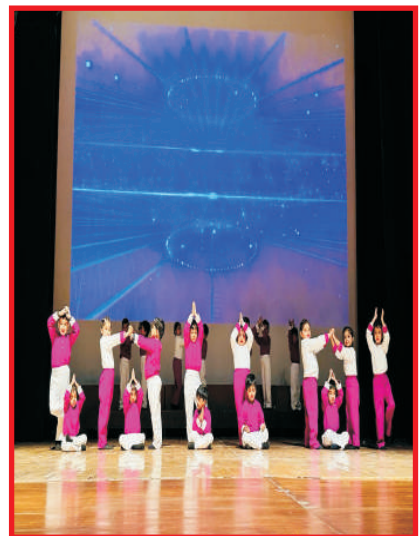

Satragi Bharat – Shades of India

"Satragi Bharat - Where traditions meet innovation in a colorful embrace."

-Anonymus

The Annual Day celebration at DPS, GBN, held on December 22 & 23, 2023, reached new heights of vitality and intellectual glory with 'Satragi Bharat - Shades of India.' The event was inspired by the theme 'VIBGYOR' which brought together the youngest talents of Pre-primary wing, to showcase the rich and diverse culture of India through various art forms like dance, yoga, fashion show, music, and more. The participants brought this celebration to life with their enthusiasm and talent. From colorful performances to cultural displays, it showcased the beauty of our nation's rich tapestry. The event not only celebrated the vibrant colors of our nation but also served as a reminder that our differences make us stronger when embraced with understanding and respect, which left a lasting impression and inspired everyone to continue promoting unity in their communities and beyond.

Fun with Dice and Beads

***"Pure mathematics is, in its way, the poetry of logical ideas."* –Albert Einstein**

One of the most effective ways to recapitulate the concepts with young learners is through hands-on activities that makes learning fun and engaging. For better understanding for our young dipsites of Pre-nursery, DPS, GBN organised 'Fun with Dice and Beads' activity on December 27, 2023. This activity not only reinforced the number recognition and counting but also enhanced fine motor skills as children laced the colourful beads according to the number on the Dice. Learners enjoyed doing this activity and it helped in fostering a positive attitude towards quantification and in building their numeracy skills.
