## Garden Fresh Fiesta

***"To eat is a necessity, but to eat intelligently is an art." –La Rochefoucauld***

The little ones in Grade Nursery at DPS, GBN enjoyed a delightful event, 'Garden Fresh Fiesta: Creative Salad Playtime!' on December 03, 2024, where they explored the world of vegetables through creativity and play. Each child received fresh ingredients like cucumbers, cherry tomatoes, olives, and cheese slices, inspiring them to design charming animal figures and imaginative garden scenes. As they played with their food, they discovered different colours, textures, and flavours, developing a greater appreciation for healthy eating. The activity also refined their fine motor skills as they carefully arranged turtles, flowers, and funny faces. Laughter and joy filled the room as the children showcased their unique creations and shared stories of their favourite veggies. This experience sparked creativity, boosted confidence, and offered a fresh perspective on healthy choices. It was a day full of exploration, imagination, and a newfound love for garden-fresh treats!

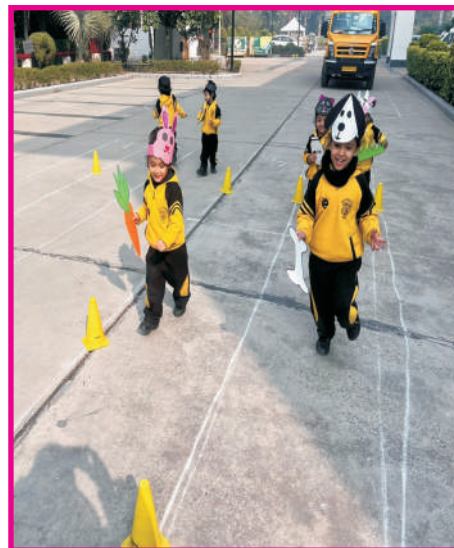

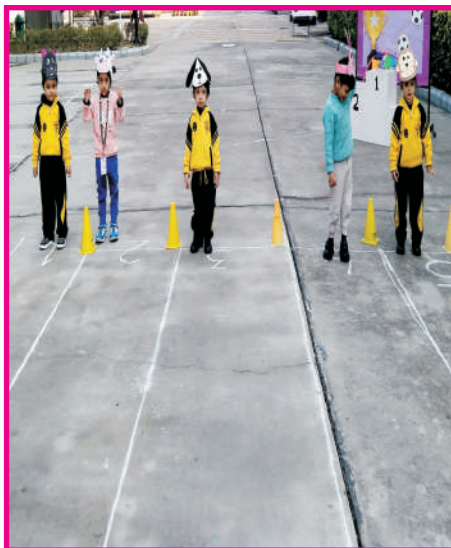

## Animal Races

***"It is a happy talent to know how to play." – Ralph Waldo Emerson***

Movement and imagination are the cornerstones of joyful learning. On December 09, 2024, the Early Buds students embarked on an exhilarating adventure during the 'Animal Races' activity. The event featured an engaging obstacle course designed especially for them, where they navigated through each challenge while pretending to be their favourite animals. From leaping like frogs to waddling like penguins, the children fully embraced the joy of animal-inspired movement. The excitement reached its peak with a vibrant animal-themed dance party. As lively tunes echoed, the children danced freely, mimicking the movements of the animals they love. The air was filled with laughter as the children eagerly cheered each other on, creating a lively and supportive atmosphere. This fun-filled day left everyone with smiles, and unforgettable memories of a magical adventure!

## Be the Athlete

***"Sports do not build character; they reveal it." – Heywood Broun***

Our little Dipsites of Grade K1 gathered on December 09, 2024, for an exciting sports activity: 'Be the Athlete'. The children got ready for the race by selecting their favourite animal personas, transforming into speedy rabbits, playful monkeys, and tall giraffes. Their eyes glistened with excitement as they gathered at the starting line. They were off at the sound of the whistle, jumping, hopping, stretching, and energetically imitating the movements of their animal buddies. The race had a special twist along the way; a food station awaited where the children could pick up the snacks that matched their animals' personalities. Rabbits nibbled on carrots, monkeys grabbed bananas, and giraffes munched on leafy greens. The race wasn't about winning; it was about enjoying the fun together, cheering for friends, and creating wonderful memories. Throughout the race, the students helped one another out, demonstrating friendliness and teamwork. Each child crossed the finish line with a beaming smile, proud of their effort and the special moments shared with friends.

## Traffic Town Adventure

***"Obey traffic rules and be safe, so you can enjoy life's ride!" - Anonymous***

The Grade Nursery at DPS, GBN organized an exciting and interactive activity on December 11, 2024, to introduce young learners to essential traffic rules in a fun and practical way. The event aimed to teach children the importance of road safety through hands-on learning experiences. Teachers created realistic traffic scenarios, complete with signboards, zebra crossings, and vehicles, to immerse the children in a real-world environment. The children were introduced to basic traffic signals- red, yellow, and green, and learned the meaning behind each one. They also explored the importance of using zebra crossings and following traffic signs. Under their teachers' guidance, the children eagerly participated in a role-play activity, taking turns acting as pedestrians and vehicles. This interactive session helped them understand how to cross roads safely and follow traffic rules effectively. The activity not only enhanced their knowledge of road safety but also instilled a sense of responsibility and awareness. The event concluded with bright smiles and valuable lessons, leaving the little ones with a meaningful and unforgettable learning experience.

## Transport Extempore: A Journey of Expressions

***"Transport is the bridge that connects dreams to destinations and ideas to actions."***  
**-Elon Musk**

The students of Grade K1 embarked on an exciting journey during the Transport Extempore activity held on December 11, 2024. Each child confidently stepped forward to speak a few lines about their favourite mode of transport, sharing delightful insights and showcasing their budding oratory skills. From cars and bicycles to airplanes and boats, the little ones expressed their fascination with different modes of travel, making the event a vibrant showcase of creativity and enthusiasm. The colourful props and illustrations brought by the children added charm to their presentations. Their excitement and confidence lit up the atmosphere, creating a lively and engaging session. This memorable activity not only enriched the children's knowledge but also instilled a sense of pride and accomplishment.

## My Ride, My Story

***"Traveling – it leaves you speechless, then turns you into a storyteller." -Ibn Battuta***

In a vibrant and lively atmosphere, the Grade K2 students of DPS, GBN, took part in the much-anticipated 'My Ride, My Story', a Show and Tell activity on December 11, 2024. The air was filled with excitement as the little ones confidently stepped forward to share their knowledge about various modes of transport. From land vehicles to air and water transport, each child spoke with pride and enthusiasm. Adding a thoughtful touch, some children introduced eco-friendly vehicles such as electric cars, solar-powered boats, and bicycles, emphasizing the importance of protecting our environment. The activity turned into a joyful celebration of learning and imagination, as the young learners brought the world of transport to life with their stories. Their confident voices, curious minds, and vibrant energy made the day truly memorable, leaving everyone inspired by their growing awareness and love for discovery.

## Excursion to KidZania: A Day of Fun and Learning

***"An excursion is not just a trip; it's an adventure that opens doors to new learning and unforgettable memories." – Anonymous***

On December 19, 2024, the young learners from Grades K1 and K2 embarked on an exciting journey to KidZania, a unique interactive city designed for children. The air buzzed with excitement as the little ones set out to explore a world of role-play activities. From stepping into the shoes of doctors and firefighters to experimenting as chefs and pilots, each moment brought new opportunities to learn, play, and grow. With boundless curiosity and energy, the children eagerly immersed themselves in activities that introduced them to real-world professions in a fun and engaging way. Whether saving lives in a hospital, baking treats in a bakery, or ensuring safety as firefighters, their bright, beaming faces reflected the joy of discovery. Beyond the fun, the excursion served as a platform for important life skills. Teamwork, decision-making, and problem-solving were seamlessly woven into each activity, helping the children develop confidence and a sense of accomplishment. The visit to KidZania left the little learners inspired, with each child carrying home newfound insights and unforgettable memories, making it a truly remarkable adventure.

## World of Veggies

***"A healthy outside starts from the inside." – Robert Urich***

The little munchkins of Grade Early Buds joyfully stepped into the vibrant 'World of Veggies' during a Show and Tell event held on December 20, 2024. The classroom came alive as the young learners brought along an array of fresh vegetables, proudly dressed as their favourites—carrots, tomatoes, spinach, and more. Their colourful costumes and lively energy filled the air with excitement, transforming the event into a fun and engaging vegetable garden. This fun-filled activity not only encouraged imagination but also aimed to instill healthy eating habits. Each child took the stage, confidently sharing a few words about the vegetable they represented. With great enthusiasm, they learned to express the importance of including vegetables in our diet, becoming little ambassadors for health. The day was a wonderful blend of learning and joy, as the little ones eagerly participated with excitement and curiosity. Their enthusiasm was contagious, leaving a lasting impression on everyone. As the day came to an end, the students left with bright smiles, a greater appreciation for vegetables, and a renewed enthusiasm for a healthy living.

## Earth is a Home - Extinct and Endangered Animals

***"The extinction of a species is not just the loss of an animal, it's the loss of an entire way of life." - David Attenborough***

The young Dipsites of Grade K2 took part in a delightful and meaningful activity, 'Earth is a Home - Extinct and Endangered Animals,' on December 20, 2024. This clay modelling competition not only sparked their creativity but also raised awareness about the importance of wildlife conservation. The children eagerly shaped clay animals such as tigers, elephants, and even dinosaurs, carefully bringing these majestic creatures to life with their tiny hands. As they crafted, they learned about endangered species and why it's crucial to protect them from disappearing, along with understanding the significance of extinct animals in the balance of nature. The excitement in the classroom was evident as each child shared their model, explaining why their chosen animal was so special. Through this hands-on experience, the children not only honed their artistic skills but also gained a deeper understanding of conservation. Their enthusiasm was contagious, and the event turned into a joyful celebration of nature's wonders and the importance of preserving our planet's precious wildlife.

## Christmas Celebration: Joy of Giving!

***"Everyone can experience the joy and blessing of generosity; because everyone has something to give." - Jan Grace***

The Pre-primary wing of DPS, GBN came together to celebrate Christmas on December 24, 2024, with boundless joy and enthusiasm. The air was filled with festive cheer as the little ones, dressed in vibrant red, green, and white, spread the season's warmth across the school. The celebration kicked off with a special Christmas-themed assembly, where students performed carols, dances, and shared the heartwarming story of Christmas, spreading the message of love and togetherness. The children also showcased their creativity by making beautiful Christmas crafts, including Santa figurines, ornaments, and greeting cards. They worked together to decorate a magnificent Christmas tree, which became the centerpiece of the event. The highlight of the day was the Secret Santa game, where they exchanged gifts with their peers, experiencing the joy of giving. In a heartwarming gesture, some students also distributed gifts to the school's helpers, expressing gratitude for their constant care and support. The event concluded with laughter, learning, and festive cheer, leaving everyone with a sense of creativity, compassion, and community, truly embodying the spirit of Christmas.
