SNIPPETS

Achievements

Vanisha Khullar and Iba Khan of Grade 8 have clinched First position in Climate Quiz: The Bout in GSP Carnival, organized by Centre for Science and Environment.

For the Third time in a row, our School has been rated GREEN in Green Schools Programme Audit 2023-24 at GSP Carnival, organized by Centre for Science and Environment.

Alumni Meet 2024: Alumni Home Coming

An Alumni Football match was organized under the guidance of our Principal, Ms Supriti Chauhan as a charity event among different batches of class 12 of DPS, GBN on December 28, 2024 (Thursday) within the school premises. The charity match was conducted in support of Bal Sahyog, with alumni from 2017-2023 batches making generous contributions to foster an ongoing connection between the school's alumni and its alma mater. This event also served as a manifestation of the DPS motto "Service Before Self." Two matches were played to maximize the involvement and that successfully drew a large number of students to support Bal Sahyog. The response to the event was overwhelming, with approximately 30 students participating in the matches. The enthusiastic audience, primarily consisting of Grade 9 students, added to the vibrant atmosphere, making the event a memorable and impactful one. The involvement of Bal Sahyog in the charitable cause further highlighted the school's dedication to making a positive impact beyond its academic boundaries.

Alumni Football Match-2024

An Alumni Football match was organized under the guidance of our Principal, Ms Supriti Chauhan, and its alumni as a charity football event among different batches on December 28, 2024 (Thursday) within the school premises. The charity match was conducted in support of Bal Sahyog, with alumni from 2017-2023, batch making generous contributions to foster an ongoing connection between the school's alumni and its alma mater. This event also served as a manifestation of the School's motto "Service Before Self."

Alumni actively participated, engaging in matches amongst their respective batches. Two matches were played to maximize involvement, drawing a large number of Students to support Bal Sahyog. The response to the event was overwhelming; approximately thirty Students actively participated in the matches. The enthusiastic audience, primarily consisting of Grade 9, added to the vibrant atmosphere, making the event a memorable and impactful one. The involvement of Bal Sahyog in the charitable cause further highlighted the school's dedication to making a positive impact beyond its academic boundaries.

Farewell to the Batch of 2023-24

Grade 11 Students hosted a 'Farewell' for the outgoing batch of Grade 12 on Monday, January 8, 2024 at the Tagore Auditorium, with great fervour and gaiety. The event was attended by the Principal, Academic Coordinators and Senior Wing Teachers. Students of Grade 11 presented a skit on School life, foot tapping songs in the choir and energetic dances on the occasion. A ramp walk was organised for Grade 12 students and titles were awarded to motivate them. The goodbye video encapsulating their school life, was much appreciated by the 12th Graders. All the students were provided a T-shirt and Memoire as a token of love and good luck from DPS, GBN family.

Indo German Student Exchange Program

Ten students and 2 mentors from Delhi Public School, Gautam Buddh Nagar visited Deutsche Internationale Schule Dubai (DISD) under a Reciprocal Student Exchange Program from January 9-15, 2024. It was a unique opportunity for them to observe culture closely as these ten students were placed with German host families. The students got an opportunity to immerse themselves in the German way of life – bonding with the host families, savouring the delicacies, participating in various cultural activities and visiting all the man-made wonders that Dubai and Abu Dhabi had to offer. They also spent family time with their hosts, thereby living the culture by interacting, having meals and enjoying time together.

The Exchange Program marked the beginning of a long-lasting friendship across continents. This carefully planned programme is an amalgamation of an educational experience with fun and entertainment. Long lasting friendships are formed between the student partners each year, giving a fresh impetus to the school's endeavour to expand its exchange base and give the students' an opportunity to explore new parts of the world.

A Visit to the India Habitat Centre

The Interactors of DPS, GBN visited the India Habitat Centre on January 20, 2024 to witness an international symposium on 'Gut Health and Lifestyle Disorders'. The event featured renowned global health experts who highlighted the link between gut health and various chronic diseases. The Chief Guest, Ms Meenakshi Lekhi, current Minister of State for External Affairs and Culture of India, gave an engaging speech drawing from her personal life experiences and relating them to the importance of gut health. She emphasized how an unhealthy diet and lifestyle resulted in gut issues which later manifested into other health problems. As an organiser, Ms Ishi Khosla did a remarkable job of bringing together specialists across various fields like Cardiology, Gastroenterology, Nutrition and more onto a common platform to discuss this important yet often neglected aspect of human health. The event introduced students to the latest scientific research on gut microbiome's impact on holistic health and convinced them to adopt a gut-friendly, millet-based diet.

Educational Excursion

Our Interact Club members recently had an insightful visit to the National Institute of Cancer Prevention and Research in Noida. During this Educational excursion, students gained valuable knowledge about the causes of cancer, early detection methods, and preventive measures. The experience extended beyond traditional learning, providing hands-on exposure to advanced medical equipment and insights into molecular biology lab processes. This engagement has not only enriched our students' understanding but has also ignited a collective passion for advocating cancer awareness within our community. The visit serves as a pivotal moment, inspiring our students to contribute meaningfully to the ongoing battle against cancer. Stay tuned for their upcoming initiatives to share this crucial information within our school and beyond.

Republic Day Assembly

Delhi Public School, GBN celebrated the 75th Republic Day with pride and enthusiasm, kudos to the collaborative efforts of the Teachers and Students of Grade 6. The event began with a united singing of the National Anthem, setting a patriotic tone. Students delivered a moving speech, underlining the historical significance of the day. The choir group added to the patriotic ambiance with a stirring patriotic song and a heartwarming dance performance drawing admiration from the supportive audience, whose resounding applause elevated the spirits of our young participants. The event successfully captured the essence of Republic Day and the spirit of nationalism.
