## Republic Day Celebrations: Small Citizens, Big Dreams

**"We are Indians, firstly and lastly". – Dr. B.R. Ambedkar**

The Republic Day celebration for Classes I and II was conducted with significant educational value and patriotic fervour on January 24, 2025. Students participated in an engaging learning activity that commenced with an age-appropriate introduction to India's Constitution and its fundamental principles. The young learners demonstrated remarkable enthusiasm while engaging in patriotic craft activities, creating tricolour artwork and national symbols. A thoughtfully designed interactive quiz session tested their knowledge about India's rich heritage, historical landmarks, and national symbols, with students displaying impressive awareness of their country. The highlight of the celebration was the pledge ceremony, where students collectively promised to be responsible citizens and contribute positively to their nation's growth. This well-structured celebration effectively combined educational elements with engaging activities, fostering both patriotic sentiment and civic responsibility among our youngest students.

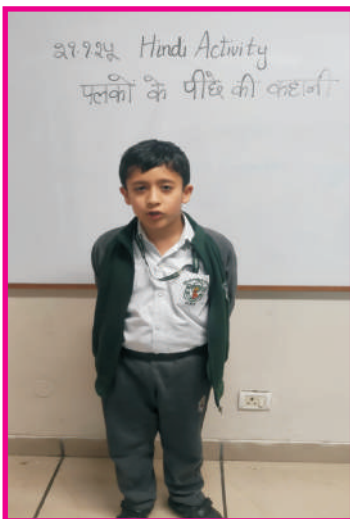

## Hindi Story Telling

*"The stories we tell literally make the world." - J.K. Rowling*

Palkon ke Peeche ki Kahani": A Storytelling sensation for Class-II

The Class-II students recently embarked on a beautiful journey into the world of storytelling with the "Palkon ke Peeche ki Kahani" activity. Aligned with SDG 4: Quality Education, this initiative aimed to introduce creativity, imagination, and communication skills in our young learners. Students were encouraged to choose a beloved folk tale or crafting their own imaginative story with a meaningful moral. The challenge was to present their chosen narrative within a two-minute time limit, bringing their characters to life through engaging enactments. The classroom buzzed with excitement as the children prepared for their performances. They meticulously practiced their storytelling, incorporating dramatic elements like voice modulation, gestures, and facial expressions. The "Palkon ke Peeche ki Kahani" proved to be a huge success. It not only provided a platform for our young storytellers to shine but also instilled in them a deep appreciation for the power of language and the joy of creative expression.

## 'Go for Glory' Athletic Carnival: Running, Learning, Growing Together

*'When you fall, get right back up. Just keep going, keep pushing it'.* – Lindsey Vonn

A vibrant 'Go for Glory' Athletic Carnival was organized for Class I students on January 30 & 31, 2025, filling the School grounds with excitement and enthusiasm. The young participants showcased remarkable energy as they competed in various races, including obstacle race, and bucket race. Students demonstrated impressive coordination and determination while navigating through the fun-filled challenges. The event fostered a wonderful sense of companionship as children cheered for their classmates from the sidelines. The winners were honoured with medals and certificates, though the focus remained on participation and enjoyment rather than just winning. The day proved to be an excellent opportunity for building team spirit, as students learned valuable lessons about sportsmanship, mutual support, and the joy of physical activity.
