World Environment Day

The environment is where we all meet; where we all have a mutual interest; it is the one thing all of us share." – Lady Bird Johnson

On June 5, 2024, the Pre-primary students of DPS, GBN celebrated World Environment Day with great passion and enthusiasm. Guided by their parents, the children participated from their homes or nearby areas, planted saplings to mark the occasion. This initiative aimed to instill a sense of environmental responsibility among the young learners. Parents and guardians actively supported the children, making it a collaborative effort that emphasized the significance of trees and ecological balance. This hands-on experience not only taught them about caring for plants but also encouraged a lifelong commitment to protect the environment. The celebration concluded with each child promising to nurture their sapling, symbolizing their dedication to a greener future.

Father's Day

"Any man can be a father, but it takes someone special to be a dad" -Anne Geddes

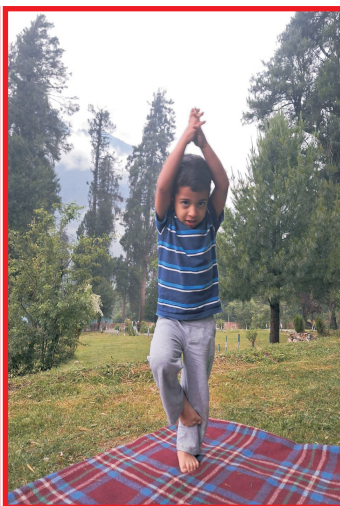

Our Pre-primary children made Father's Day genuinely unforgettable for all the great dads on June 16, 2024. As part of their summer activities, the Early Buds kids showcasing their creativity by making vibrant, colourful ties, symbolizing the deep bond between the children and their fathers. Nursery children and their dads then shared a touching moment, creating handprint keepsakes together. These handprints captured a precious bond that will be cherished for lifetime. Grade K1 students rounded out the day with heartfelt hugs and "thank you", expressing their love and gratitude in the most genuine way. The celebration continued with Grade K2 children serving delicious Oreo shakes, topped with creamy ice cream, all presented with smiles. The joy in the children's eyes reflected the delight on their fathers' faces. This Father's Day was a beautiful tribute to the special bond between fathers and their children, celebrated through meaningful gestures. Our little stars made the day extraordinary, honouring the incredible men in their lives with creativity and heart.

International Yoga Day

"Yoga is the journey of the self, through the self, to the self." – The Bhagavad Gita

International Yoga Day was enthusiastically celebrated on June 21, 2024, by the Pre-primary Wing of DPS, GBN. Our young stars demonstrated the importance of health through their remarkable yoga practice. Despite being on summer break, their dedication and zest for wellness inspired us all. The children performed various poses, including Happy Baby, Butterfly, Tree, and Surya Namaskar, showcasing that staying active can be both enjoyable and engaging. Their joyful participation served as a vibrant reminder of the importance of maintaining our health and mindfulness throughout the year. We are immensely proud of our little yogis for their spirited celebration and commitment to well-being. Their energy and positivity truly highlighted the fun and benefits of a healthy lifestyle.

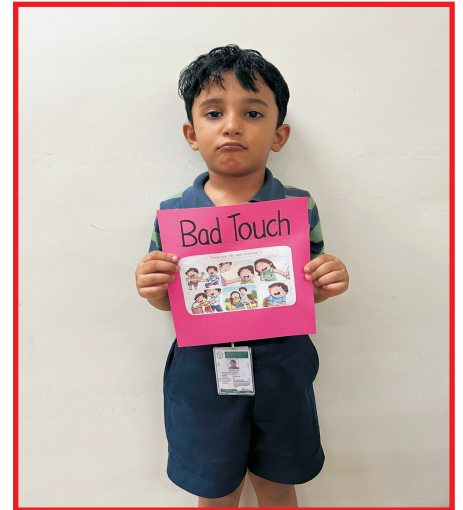

Stranger Danger

"Don't trust every face you see; some strangers could be danger in disguise."

- Anonymous

On July 3, 2024, DPS, GBN organized a 'Stranger Danger' role play for Grade K2 students, focusing on safety education in a way that was informative yet gentle. Teachers sensitively explained how to stay safe when not with parents, highlighting the importance of caution around unfamiliar individuals. Students were encouraged not to accept gifts or rides from strangers and to recognize teachers as trusted figures at School.

Throughout the role play, teachers assured children that they could confidently call for help if they ever felt unsafe. They also emphasized the importance of talking to their parents about any uncomfortable situations they might encounter. By presenting these lessons in a reassuring manner, teachers aimed to empower students with practical safety skills while ensuring they felt secure and supported. This approach aimed to foster confidence and awareness, equipping children to responsibly navigate potential risks.

World of Puppets

"A Puppet is free as long as it loves its strings". - W.S. Merwin

On a bright and cheerful morning on July 9, 2024, students of Grade K1 at DPS-GBN enjoyed a delightful puppet show. It brought lots of smiles, laughter, and a sense of wonder to their young hearts. The event aimed to spark creativity and imagination among the children and was a big hit. As the children settled into their seats, one could feel their excitement. They were captivated by the colorful puppets and their lively performances. The auditorium echoed with joy when the kids giggled and clapped, as the puppets danced, sang, and did funny things, making the atmosphere lively and cheerful. But it wasn't just about fun—the puppet show also taught important lessons. Through the stories, children learned about friendship, kindness, and helping others. Inspired by the show, kids created whimsical puppets with googly eyes and lively expressions, sparking imaginative playtime adventures. This event showcased School's commitment to providing holistic education that nurtures both the mind and the heart. We look forward to hosting more such magical experiences that inspire our young learners and enrich their School journey.

Baking Buddies

Blending fun, teamwork, and healthy living in every recipe. - Anonymous

On July 12, 2024, our Early Buds participated in a delightful hands-on baking activity designed to introduce them to basic culinary skills and ignite their creativity. Our young learners eagerly took part in baking scrumptious cupcakes, which allowed them to develop their motor skills through pouring, mixing, and stirring ingredients. This activity also taught them valuable lessons in patience and the importance of sharing with friends. The baking session was a tremendous success, offering a wonderful opportunity for our little chefs to delve into the world of baking. It was truly heart-warming to witness their joy and enthusiasm as they collaborated, assisted one another, and proudly displayed their delicious creations. This experience not only satisfied their appetites but also enriched their minds and spirits.

Mystical Wand

"Magic touches people in the way great art does. It lets them see the world with new eyes." - Drummond Money-Coutts

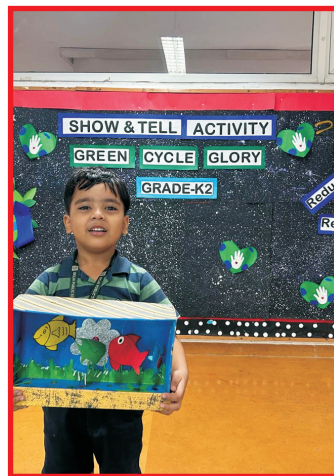

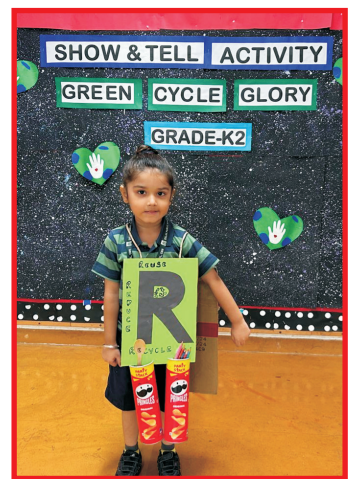

On July 12, 2024, our Pre-primary students were enchanted by a magical performance that filled them with wonder and excitement. The show began with simple tricks and quickly progressed to more elaborate illusions, captivating the young audience. The magician skillfully performed classic acts such as pulling vibrant scarves from empty pockets and making colorful balls vanish and reappear. The children were especially delighted by the bright, colorful props, and their laughter and gasps of amazement echoed through the room. The interactive elements were a huge hit, with children eagerly volunteering to assist. This magical experience provided joy and laughter, sparking curiosity and wonder in the young minds. It was a memorable and delightful experience for the entire Pre-primary wing.

Green Cycle Glory

"Recycling today ensures a sustainable tomorrow. Let's reimagine waste as a resource and take small steps to protect our planet." - Anonymous

On July 16, 2024, Grade K2 students of DPS, GBN wholeheartedly embraced SDG-13 with their 'Green Cycle Glory' initiative to promote recycling by fostering sustainability and a greener future. They were delighted in presenting their handmade creations such as tin can planters, CD wind spinners, paper plate Earth models, paper roll binoculars, and newspaper hats. Each student explained the significance of their recycled project and how it contributes to protecting the environment. These recycled projects not only showcased their creativity but also highlighted their dedication to preserving our Earth for future generations. Their efforts serve as a powerful reminder of the importance of caring for the environment and using sustainable practices from a young age.

Yellow Colour Day

Where sunshine meets smiles and learning is delicious. – Anonymous

To introduce our little ones to the mesmerizing world of colours, Grade Early Buds celebrated Yellow Colour Day on July 19, 2024. Children were dressed up in yellow attire, creating a sunny and festive atmosphere. As part of the celebration, Mango Party was hosted, where children enjoyed a variety of mango-themed treats. Our tiny tots made sun craft and were also engaged in a storytelling session, followed by an energetic sing-along on yellow-themed songs. Additionally, everyone brought yellow-coloured food to share, adding to the fun and flavour of the day. Beyond this, children also learned about the importance of healthy eating and the joy of sharing with friends. The event was not only a celebration of colour and flavour but also an enriching educational experience.

My Favourite Community Helper

"Caring has the gift of making the ordinary special." - Anonymous

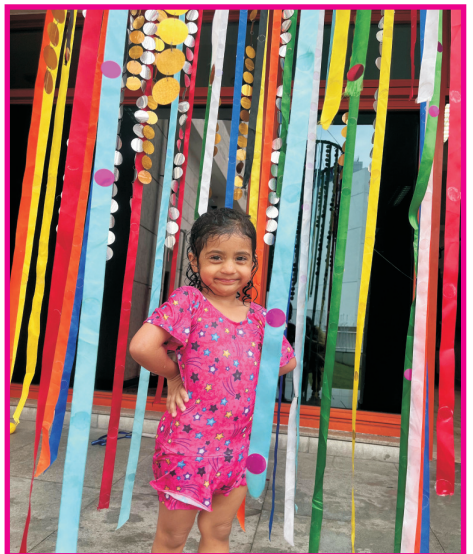

With the aim of stimulating students' imagination and enhancing their holistic development, a Community Helper activity was organised for tiny tots of Grade K1 on July 22, 2024. Children were dressed up as their favourite community helpers and spoke about their roles, which was a fantastic way for them to learn about different professions and their importance in our daily lives. By embodying community helpers, the students not only learned about various roles but also developed empathy and respect for those who contribute to society in different ways. Moreover, this gave them an opportunity to understand the world around them and their place in it as well. It was a treat to watch these emerging artists admire the act-out behaviours of their respective community helpers and display their contribution to our society.

Drizzle Bash

A drizzling bash paints the world in shades of serenity. – Anonymous

On July 25, 2024, Early Buds hosted a delightful 'Drizzle Bash' that captivated and excited our children. The kids showcased their creativity by decorating paper umbrellas with colorful stickers, proudly presenting their unique designs. They danced to rain-themed songs, joyfully equipped with umbrellas, and listened to the soothing pitter-patter of the rain. The children's faces lit up with joy as they splashed in pool and played together in the gentle drizzle. These activities were both fun and educational, enhancing the children's creativity, sensory awareness, and appreciation for nature. Teachers facilitated discussions on the importance of rain, making the experience enjoyable and informative. Overall, it was a joyful and enriching celebration of rainy days at Early Buds, leaving everyone with cherished memories and a deeper connection to the natural world.

Creative Hands

"The desire to create is one of the deepest yearnings of the human soul."

- Dieter F. Uchtdorf

In our journey to blend creativity with artistic skills, 'Creative Hands' emerged as a dynamic and engaging Work Education (W.E) theme organized in the month of July to inspire and empower the students of the Pre-primary Wing through hands-on learning experiences. The little artists enthusiastically created adorable owls, butterflies, spiders, and flamingos using different techniques like vegetable printing, leaf printing, thumb printing, brush printing, and hand printing. Their colourful masterpieces brought immense joy and pride, as they eagerly showcased their artwork. This enriching experience not only boosted their creativity and nurtured their artistic skills but also promoted learning and teamwork in a playful and imaginative manner. It allowed students to explore new ideas, collaborate effectively, and develop a strong sense of community.

Achiever's Gallery

"Winning means you're willing to go longer, work harder, and give more than anyone else." - Vince Lombardi

With immense pride and joy, we celebrate the outstanding achievements of our Nursery students in the 2nd level of NOF Champions League 2023-24. These young scholars have truly ignited a sense of accomplishment within our School. They secured remarkable international ranks in various subjects including Phonics, Science, Mathematics, Hindi, and English Olympiad. Students were awarded with medals, badges of honour, and certificates for their achievements. Let's continue to support and nurture these talented students as they shine brightly in their academic journeys. Their achievements not only reflect their potential but also set a high standard for future competitions.
