## JOY OF GIVING

The Educators and Students of the Interact Club at DPS, GBN are service-oriented, and their initiatives on diverse levels illustrate their deep commitment to the community. Team Interact Club in association with Rotary Club Noida organized a wide range of activities on the auspicious occasion of Diwali. A donation drive was undertaken by the Interactors to help the underprivileged by distributing gifts and other necessary items to the ones who deserve them the most. Interact Club's initiative was given a good shape by the students who came forward with donations in all forms; money was also donated by some students for those in need.

The proceeds of this charitable act were sent to an NGO 'Baal Sahyog' along with the donated amount of Rs. 25000 by the Interact Club of DPS, GBN and Rotary Club of Noida.

## FOUNDER'S DAY- THE ANNUAL FIESTA

DPS, GBN celebrated its Annual Founder's Day with grandeur and creativity, revolving around the theme "Panchatatva: the power within." The programme, spread over three days, was a mesmerizing spectacle that not only paid tribute to our school's founder but also explored the profound connection between the five elements and the holistic development of our students. The day commenced with a Ceremonial lamp lighting, symbolizing the illumination of knowledge and wisdom, in the presence of esteemed guests, parents, and the entire school community. The school's Tagore Auditorium was adorned with thematic decorations representing the five elements - Earth, Water, Fire, Air, and Ether. Each element was beautifully incorporated into the stage design, creating a visually stunning backdrop for the day's events.

The programme, a highlight of the celebration, featured performances that seamlessly integrated the theme. The Students presented dances, musical compositions, and theatrical acts that showcased the beauty and essence of each element. The performances were not only entertaining but also thought-provoking, emphasizing the importance of balance and harmony in life. The culmination of the day included the presentation of awards and certificates to students who excelled academically and contributed significantly to various extracurricular activities. This recognition highlighted the school's commitment to nurturing well-rounded individuals. The grand finale was marked by a spectacular display of fireworks, symbolizing the culmination of the five elements coming together in harmony. The dazzling lights served as a metaphor for the unity and synergy within our school community.

In conclusion, the Annual Founder's Day Celebration on the theme "Panchatatva: the power within" was a resounding success, leaving a lasting impression on everyone who attended. The event not only honoured the vision of our founder but also inspired the Students.
