The festival of lights came alive at DPS, GBN, on November 10, 2023, when the children as well as the teachers of the Pre-primary wing were sparkling in their traditional outfits and embraced the virtual realm to celebrate Diwali. This year, our little dipsites pledged to celebrate Green Diwali and instilled a sense of responsibility towards the environment while maintaining the festive fervour. During the online classes, teachers narrated the story and significance behind the celebration of this grand festival. To make this festival memorable and to enhance the creative skills of our young artists, Diya Painting and Toran Making activities were conducted. Any celebration remains incomplete without a pinch of dance, so the children brought the celebration to an end by grooving on some famous Diwali songs. It was indeed a celebration, which reflected the spirit of unity and cultural appreciation.

Recitation has its own rhythm, music, sounds and beats, which is helpful for a child's emotional, cognitive and language development. To instil a love for poetry, Grade Nursery, organized a Rhyme Recitation Competition named 'Rhythm Divine' on November 16, 2023.
