Fashion Streak

"Fashion is about something that comes from within you." - Ralph Lauren

Grade Nursery students at DPS, GBN dazzled everyone on November 13, 2024, with a vibrant fashion show that highlighted their creativity and confidence through captivating themes. With 'Candy Land', the little ones strutted down the runway dressed as candy canes, cupcakes, and colourful lollipops, creating a sweet and joyful atmosphere as they explored colours, shapes, and the magical world of sweets in an engaging way. The 'Sky is the Limit' theme inspired children to showcase costumes representing different seasons, from sunny summers to snowy winters, symbolizing dreams and growth as boundless as nature. Through this theme, they explored weather concepts, seasonal changes, and the beauty of the sky, sparking curiosity about the natural world. The 'Space Adventure' theme transported everyone on a galactic journey, with children dressed as astronauts, stars, and planets, enriching their sense of wonder with fascinating facts about space and the mysteries of the universe. The 'Enchanting Garden' theme brought nature to life with costumes inspired by flowers, butterflies, and fairies, introducing students to plants, insects, and the magic of the natural world. Each theme encouraged imagination and teamwork, making the event a joyful celebration and creating lasting memories for all involved.

Children's Day Celebration

***"Children are the world's most valuable resource and its best hope for the future."
– John F. Kennedy***

The atmosphere at DPS, GBN, was brimming with excitement and cheer as the Pre-primary wing hosted a Children's Day celebration on November 14, 2024. The fun began with the 'Crazy Hair Do', where children arrived with unique and creative hairstyles—from playful spikes to wavy twists and quirky designs, adding an extra spark to the day. The classrooms quickly transformed into vibrant play zones, buzzing with the sounds of laughter and lively games. After all the excitement, the children danced to happy tunes and relished tasty snacks that kept the smiles flowing. Later, they settled into a cozy movie session, popcorn in hand, snuggling with friends in their soft, comfy pyjamas, winding down with joy. Teachers added an extra layer of delight with surprise takeaway treats, making the day even more enchanting and memorable. The celebration radiated with joy, leaving behind cherished memories and a heartwarming reminder of the pure magic that comes with being a child.

Shapes Explorers: A Journey of Discovery and Fun

*"Play is the highest form of research, and shapes are the playground of the mind."
- Dr. Albert Einstein*

Shapes are the essential building blocks that ignite creativity and stimulate young minds. On November 18, 2024, the Early Buds students took part in an engaging 'Show and Tell' activity focused on shapes. Each child proudly presented their favourite shape toy, sharing a few lines about it, which sparked excitement and wonder as they discovered each other's unique choices. The fun continued with a shape-matching game, where the children matched identical shapes, reinforcing their recognition skills while adding an element of playful challenge. Through this activity, the children also enhanced their communication skills, happily sharing their thoughts and listening to their friends, which made the experience even more enjoyable. This captivating activity seamlessly blended learning with fun, fostering a deeper appreciation for shapes and leaving the children with lasting memories of discovery and imagination.

Achievers' Gallery

"Success is the sum of small efforts, repeated day in and day out." - Robert Collier

With immense pride and joy, we celebrate the remarkable achievement of our talented student, Arham of Grade K2 who has secured First Position in the event 'Clean the Road-25 Meter Race' in the Inter-School Competition, 'Triumph', organized by Seth Anandram Jaipuria School, Greater Noida, on November 8, 2024. This outstanding accomplishment reflects not only incredible agility and focus but also a strong spirit of determination and perseverance, earning him a well-deserved medal and certificate. Such success inspire us to strive for excellence and embrace challenges with confidence. We look forward to seeing more milestones as our students continue to grow, shine, and make their mark.
