SNIPPETS

Accolades!

DPS-GBN faculty, Dr. Babita Chaudhary (PGT) was awarded with “**Saraswati Shikshak Samaan**” for her excellent work in the field of education by Saraswati House India Pvt. Ltd on 4 December 2021 at India Habitat Centre, New Delhi. Many more educators from different zones all over India were also felicitated with different titles.

Renewable Energy for a Sustainable World

Energy demand has significantly increased with the growth of the economy. As a consequence, efficient use of energy resources and their conservation are vital for curbing wasteful consumption and moving towards sustainable development. Delhi Public School, GBN has become an active member of the **Energy Saving Campaign of the Uttar Pradesh New and Renewable Energy Development Agency (UPNEDA)**, designated state agency in Uttar Pradesh under the Energy Conservation Act 2001.

State Energy Conservation Awards-2021 were announced on 14th December by Uttar Pradesh State Energy Development Authority. The Energy Conservation Club of our school completed eight activities assigned to create awareness about energy conservation and won the “**Second Position**” in the School Category.

Keep it Up!

The **DPS-GBN** has always appreciated its teachers, staff, students and parents for their efforts, understanding, support, guidance and contributions.

The School premiered **Umang- The Founder's Day 2021**. The School Management and Principal personally expressed their sincere gratitude to the brains and brawn behind this year's mega-successful event by handing out an appreciation certificate. It will certainly motivate and inspire all members of the **DPS-GBN** family.

Adieu CDS Gen Bipin Rawat - Legends live on

We extend our deepest condolences to the family of CDS General Bipin Rawat and the other Armed Forces personnel who sadly lost their lives in a helicopter crash. They will forever be remembered for their service to the nation. Salute!

"75 Lakh Postcard Campaign"

Patriotic acts and patriotic feelings strengthen a nation. When we share our patriotic feelings with others, we are able to relate better with them. Having more patriotic individuals will make our country stronger as a whole. A postcard making activity was held at **DPS-GBN** as part of the ongoing celebrations of **Azadi ka Amrit Mahotsav (AKAM)**. Students were given the opportunity to share their ideas and opinions of the freedom struggle through the postcard. Students, teachers and staff got involved enthusiastically.

Celebration of Mathematics Week

DPS-GBN celebrated National Mathematics Day on December 22, 2021 with cake, not sums! The Principal, Ms Supriti Chauhan cut a special cake baked by the students featuring Hardy-Ramanujan number 1729! The students of Class VIII drafted beautiful online magazines during the Mathematics Week celebrations. Vibhuti Seth of class XI sketched the Mathematical Genius S Ramanujan to mark the celebrations of Maths Week- Ganit Tantra! The work done by them was exemplary.

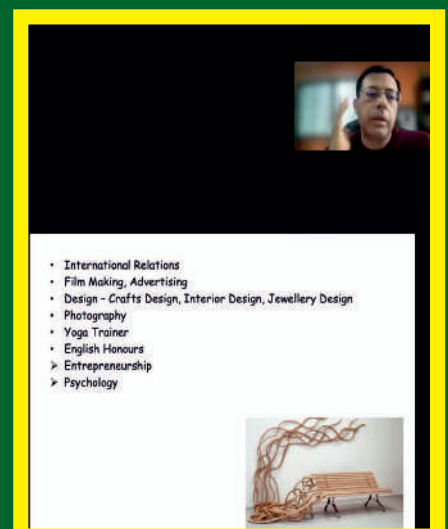

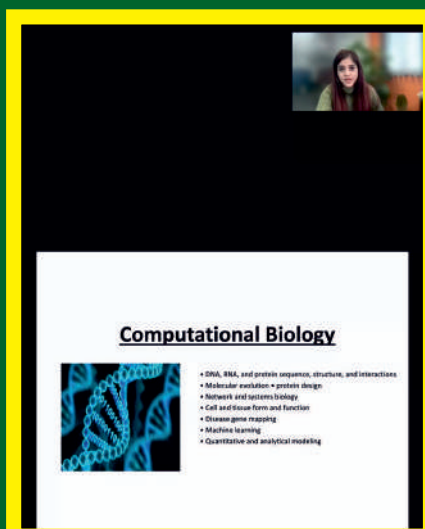

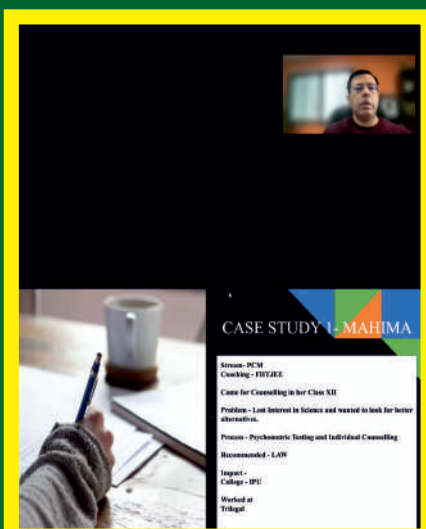

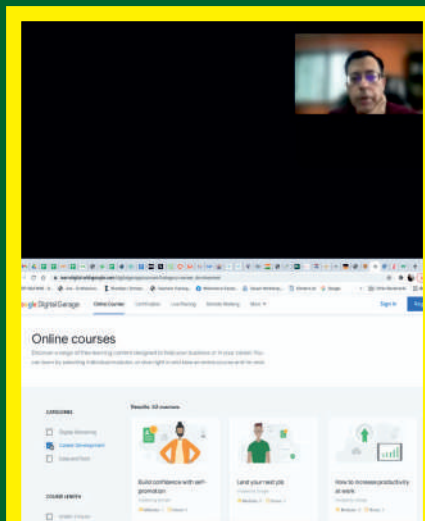

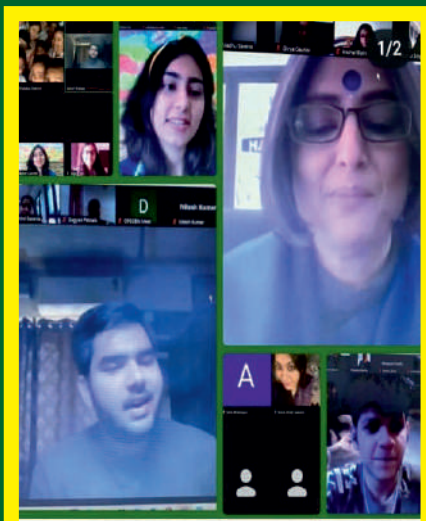

Career Counselling

"Before anything else, preparation is the key to success."

—Alexander Graham Bell

During senior classes, students choose an option that will last a lifetime. We have observed that sometimes certain subjects are given more weightage than others in selections. Educating oneself on this topic is essential to making an informed decision. Before deciding on a career, it is crucial to understand one's personality, interests, and aptitude.

On December 16th, 2021, DPS, GBN organized a Career Counselling session for classes IX and XI Parents and Students. The resource person, Mr. Jitin Chawla, founder Director of the top Career Counselling Firm in North India, eased the concerns of the parents. During this workshop, participants learned about Stream selection under NEP, career choice, college selection, how to build a profile for top universities, how to prepare for entrance exams, international university admissions, and the latest trends and careers. The session was highly interactive and enriching for both parents and students.

Muskaan - Let's Make the Day Brighter!

Christmas and New Year are celebrated with families and friends across the globe. However, at DPS, GBN, teachers and students decided to spread happiness by celebrating Christmas with those less fortunate. Teachers and Students of DPS, GBN Interact Club initiated a project titled **Muskaan - Let's Make the Day Brighter!** Team members visited Protsahan NGO and enjoyed the festival with the NGO children on December 23rd, 2020.

Various activities and games were organized for the participants. On this occasion, cake and other food items were served to the children of the NGO. It was an overwhelming success, as we were able to see the smiles of the participants!

May your Days be Merry and Bright!

Our middle school wing celebrated Christmas Eve with joy and vigour! They decorated their classrooms, sang Christmas carols, and prepared Christmas cards for their mentors. The online students baked mug cakes too.

“Change is Inevitable, Collaboration is the Key”

DPS-GBN places students at the top of its priority list. A virtual PTM was on 18th December, 2021 for grades VII-IX. This helped teachers and parents exchange their observations about students' performance and set future learning goals. We thank our parents for participating in the PTM.
